Submitted by [paul.meade](#) [1] on 13 May 2014 - 12:22pm

Celestial Green Ventures (CGV) have confirmed that they will be hosting a stand at The Wheel's National Conference next Thursday, 15 May. This annual event brings together people from the Irish community, voluntary and charity sector and is the largest event of its kind in Ireland. CGV's presence at the event will give delegates the chance to find out about the CGV Social Funding Programme 2014 and allow CGV to engage directly with potential applicants.

Extended deadline: Friday, 30 May 2014

CGV's attendance at this event has also led it to extend it's application deadline for the Social Funding Programme 2014 from Friday, 16 May to Friday, 30 May 2014.

The aim of the CGV Social Funding Programme is to provide some much-needed support to small projects that bring either a social or environmental benefit in Ireland. The 2014 Programme is offering a total of €20,000 which will be awarded to four different qualifying organisations, each having the opportunity to receive up to €5,000 funding towards their specified project.

The results will be published on the CGV website on Friday 13 June, and the cheques will be presented on the 20 June at the CGV offices in Merchants Quay, Dublin 8.

If you wish to learn more about CGV's Social Funding Programme 2014, or make an application, you can find all the key details on the CGV website [here](#) [2].
