Terms of Membership of The Wheel

This document is the Terms of Membership of The Wheel (the “Terms”) as referred to in the Constitution of Rotha (trading as The Wheel) (“The Wheel”) and should be read in conjunction with the Articles of Association section of that Constitution. This document deals with the arrangements that apply for membership of The Wheel.

The Directors will consider applicants meeting the below criteria for membership of The Wheel:

1. Organisations or individuals who qualify to become Full or Individual members of The Wheel in accordance with the criteria set out below and their individual or full membership subscriptions are paid (except in the case where a bursary may apply).

Applicants for membership will be required to complete a membership application and to pay the appropriate annual fee for their category of membership. Upon acceptance, the term of membership shall be one calendar year and renewal of membership shall occur upon receipt of payment of the annual fee. Notification of renewal shall be circulated at least three weeks in advance of the renewal date. Members who do not pay the annual fee shall cease to be Members.

2. They subscribe to The Wheel’s values: Probity, Integrity, Inclusive, Facilitative, Proactive, Professional, Transparent and Knowledgeable (A detailed context for our values and beliefs as contained in our Strategy 2017 – 2020 is extracted for convenience into Appendix I of this document). The mechanism for subscribing to these values is by signing up to them on the membership application form.
3. They support The Wheel’s vision: A thriving community and voluntary sector at the heart of a fair and just Ireland - by acting as a resource to support these organisations and by advocating for an environment that supports voluntary activity.

The following terms apply to all members:

Members are requested to quote their membership number to avail of preferential member rates and services.

The Wheel reserves the right to withdraw membership from Members that do not adhere to the Terms (see below process for reviewing membership of a current member of The Wheel)

A Member may terminate their membership at any time.

The Board of Directors of The Wheel reserves the right to amend, alter or add to the Terms. This will be done in consultation with existing Members and notification of any such amendment, alteration or addition will be sent in writing to all members with 21 days’ notice.

The Wheel is committed to compliance with the Governance Code for Community, Voluntary and Charitable Organisations (www.governancecode.ie) and we encourage all of our members who are organisations in the CVC sector to commit to adopting that code.

Full Membership

An organisation which applies to become a Full Member of The Wheel must be an independently governed nonprofit organisation. This is defined as being where the Board is independent (usually indicated by the fact that less than 50% of Board members are appointed by a government, statutory or other body) and that the organisation has the ability to be self-directional in terms of deciding its own mission and vision – and even ultimately that it can make the decision to cease operations.

Individual Membership

Individuals in their personal capacity, not representing an organisation, are eligible for Individual Membership.

Associate Membership

An organisation which does not meet the requirements of Full Membership may become an Associate Member. Associate Members are entitled to the benefits of affiliation with The Wheel, but are not entitled to become members of the legal entity, Rotha t/a The Wheel.

To become an Associate Member, the organisation must sign up to the same terms as full-members set out on page 1 of this document.

Process of reviewing the membership of a current member of The Wheel:

1. Any concerns about a member's adherence to The Wheel's values that are brought to the attention of The Wheel staff or its board will be reviewed by The Wheel's senior management team.
2. The reasons for the concern will be researched by the senior management team.
3. If the senior management team feel that the concerns equate to the member not adhering to The Wheel's terms of Membership, a report from the executive will be brought to The Wheel Governance sub-group at its next scheduled meeting.
4. Following the meeting of the Governance sub-group and agreement that this warrants further action, the matter will be referred to the next meeting of the Board of Directors of The Wheel.
5. If the Board concur with the recommendation of the Governance sub-group, the member will be informed that The Wheel is triggering clause 5 (c) of the Constitution which states that "*Membership of the Company shall cease if the Directors determine that such member has failed to observe the membership terms as set down in the Terms of Membership of The Wheel*". (Refer to Appendix II)

6. As per the process laid out in Clause 6 of the Constitution, within 14 days of such a board decision, the member will receive in writing notice of this decision and the reasons for it. They will also be informed that if they want to contest this decision they should contact the Company Secretary in writing who will organise for them to be heard in a meeting of the board of Directors. Alternatively, or in addition, the relevant member may submit a written statement which shall be taken into consideration by the Directors in making their final determination of cessation of membership. (Ref Appendix II)
7. Where membership is cancelled by the board, the member may appeal the decision to the members of The Wheel at the next AGM and the process for doing this is outlined in the Constitution in clause 7. (Ref Appendix II)
