

HCI Training

TRAINING SESSION

National Standards for Safer Better Healthcare (2012) – Preparation for Statutory Licencing Training

Date: 28th May 2019

Location: Clayton Hotel Leopardstown
Suitable for: Home Care

The Sláintecare Implementation Strategy notes that a new overarching governance framework will be introduced and clinical governance will be underpinned by legislation through the introduction of a system of licencing for hospitals, community and other clinical services.

HCI will be providing training to homecare organisations to assist them in preparing for the upcoming licencing.

See hci.care for more information.

COST

- Early Bird Cost is €265.50 +VAT (offer ends 3rd May 2019)
- Regular Cost is €295 +VAT

BOOK YOUR

Contact rosemarie.pollard@hci.care or +353 (0)1 629 2559 to book your place.

WHY CHOOSE HCI?

PROFESSIONAL TRAINER

Training is delivered by a HCI quality and safety and regulatory expert.

TRAINING DELIVERY

Training is a combination of presentations and workshops to maximise learning opportunities.

EXPERTISE

HCI has over 14 years experience providing patient safety, regulatory compliance and quality improvement intelligence and support to health and social care organisations.

TRAINER'S PROFILE

Name: Serena Horkan

Biography: As Senior Practice Development Specialist in HCI, Serena provides evidenced based training to care organisations. Serena has also been responsible for the implementation of Quality Management Systems in health and social care organisations.

With a clinical background in international Nursing, Serena has over 20 years' experience working in the healthcare sector. Her areas of expertise include clinical practice and delivery of evidenced based training and auditing. She has implemented induction programs for Student Nurses and Newly Qualified Nurses internationally and was involved in the consultation process of Ireland's first ISO specific Standards for Home Care.
