

## TRAINING LINKS 2024 - 2026

### ELIGIBILITY, SELECTION & APPEALS PROCESS

#### Stage 1 - Eligibility

- All applications submitted by the closing date of **5pm on Friday, 17 May 2024** will be considered by The Wheel using the eligibility criteria as detailed in the Training Links 2024-2026 Programme Overview, Section 7. This is Stage 1 of the overall selection process.
- The Wheel will complete an eligibility assessment sheet for each application during the eligibility review.
- All applications that pass the eligibility stage will move forward to the next stage of the process, Stage 2 – Selection.
- The Wheel will notify ineligible applicants following the Stage 1 review by **24 May 2024**. Ineligible applicants can use the appeals process within 5 working days by contacting Lauren Carroll on [traininglinks2024@wheel.ie](mailto:traininglinks2024@wheel.ie) clearly outlining the reason for appeal. As Training Links Manager, Lauren will adjudicate on the merit of the appeal and communicate a final decision to the Training Network within 2 working days of receiving the appeal

Date for Stage 1 – Eligibility review: 20 - 24 May 2024.

Date for appeals on eligibility criteria: 27 - 31 May 2024.

#### Stage 2 - Selection

- It is anticipated that there will be two independent expert assessors (the panel) identified by The Wheel to undertake the selection process. The Training Links Programme Manager will provide advice and support if required.
- All eligible applications will be considered by the panel.
- The panels final recommendations will be based on the information provided in the application forms, and how these have taken account of the Training Links programme objectives, the priority areas and the cross-cutting challenges.
- The final recommendations will also be based on the funding requested in each application and the total funding available.

Date for Stage 2 – Selection by independent panel: 3 - 14 June 2024.

#### Stage 3 – Confirmation of Selection

- All shortlisted applications will need to be reviewed by both members of the panel working together, discussions held, and final recommendations agreed.

- All applications that have been reviewed by the individual panel member; i.e., not just the ones that have been shortlisted, will be available to the other member of the panel, in advance, should they so wish.
- A final successful group who demonstrates the diversity as described in the Training Links 2024-2026 Programme Overview must be selected.
- As part of its evaluation and performance monitoring process, the Training Links Programme Manager and Senior Skills Manager will meet with the panel to discuss their recommendations and confirm the final shortlist of successful applicants.
- The Wheel will notify **unsuccessful** applicants of their results following the Stage 3 review on or by **28 June 2024**. Unsuccessful applicants can use the appeals process within 5 working days by contacting Emma Murtagh, European Programmes Senior Manager at The Wheel, on [emma@wheel.ie](mailto:emma@wheel.ie) clearly outlining the reason for appeal (see Stage 4 – Appeals).
- Some additional Training Networks will also be identified as a backup list so that if any of the successful Training Networks are not able to take up the programme, there are Training Networks selected to take their place on the programme.
- Applicants will be notified about their final result by **15 July 2024**.

Dates for confirmation of selection: 17 – 21 June 2024.
